

Scholarships Available

Application Deadline June 1, 2016

Fratelli Bologna is proud to announce the Budding Artists Scholarships for the BATS Summer Youth Program 2016.

Theater builds self-confidence and community:

Students learn to connect with people, expand their imaginations, build self-confidence, appreciate other's ideas and be part of a community.

A Tradition of service:

William Hall and Carla Hatley of Fratelli Bologna have established this scholarship in honor of their fathers, both named 'Bud,' in recognition of their work with youth and strong belief in the arts.
